

# DECISION NAMES WAVERLY

## ARTIST SERIES TO PRESENT DANCE-PLAY

"Christopher Columbus," the play with music and dance accompaniment, will be presented at Wartburg High School Auditorium on Thursday evening, March 21, at 8 p.m. by the local company of Edwin Strawbridge.

Mr. Strawbridge has won acclaim in the field of dance, and all over the world. He has presented his ballet dances with the Philadelphia Symphony Orchestra, the Philadelphia Harmonic Symphony, and the Philadelphia Grand Opera Company. He has performed his own compositions of Japanese and Greece at the Imperial Theatre in Tokyo and the 200-year-old theatre of Deppen in Germany.

His plays with dance accompaniment bring to life thrilling scenes from the past and present. He has brought to vast audiences the adventures of such unknown figures as St. Paul, St. Peter, Buddha, "John Appleseed," and now he will thrill us with the early days of "Christopher Columbus."

The dances will include the whole range of popular dancing of the past, rhythmic, jive, fox-trot, swing, dances, and court dances, all of which are an important part of the drama of early days in the career of Columbus.

The music, which is based on the folk melodies of St. Peter, will be performed by Florence Wickham, famous contralto of the Metropolitan Opera Company. The orchestra will be prepared by Edwin Strawbridge.

The ballet will give to its audience a feeling of color, beauty, and full of vitality. From the "Fairmont (W. Va.) Times" we quote:

"The ability of the players to handle dialogue without effort in the midst of vigorous dancing was a tribute to their artistry."

## SCHARDT TELLS OF COLORFUL LL CONVENTION

An ecumenical convention on February 25, Rev. A. G. Schardt, pastor of St. John's Lutheran church, Cedar Falls, and manager of the International Lutheran League Convention, presented a series of the highlights of the convention which will be held at Ames, Iowa, from April 11 to 13.

Rev. Schardt stated that emphasis will be placed on the spiritual side of the convention. The speakers of the church will discuss such topics as: "Now is the time to Rise, to Kneel, to Confess to God"; "How to live in the world"; "How the Holy Communion service for two thousand or more on Sunday morning; The Christian family"; "How the church can add much to the setting."

The convention promises to be a series of colorful events. The religious services will be developed throughout the entire period. The leaders will meet at the altars, the youth will meet at the tables, the young people will have their own meetings, and the adults will have them to their destination.

To remind visitors of the destination, a large sign will be placed everywhere, and a large corncob will be built for a refreshment stand. A state of affairs will be created of great fun, and such events as the choral union concert and the banquet will make this convention long remembered.

## Music Groups Make Trips

On Wednesday, February 27, the Wartburg Ladies' trio and Rev. C. G. Shalkhuus, publicity director, appeared at the Wartburg High School Auditorium, Hawkeye and West Union. The members of the trio, Betty Blehm, Lois Landwehr, and Audrey Peters, sang several numbers supplied by Margaret Friesch. Instrumental numbers were also presented by the Wartburg band, under the direction of George Feistner.

On Friday, February 29, a local group appeared with Rev. Shalkhuus at Plainfield, Nashua, Fredericksburg, and West Union. The group consisted of Rev. Shalkhuus and Herbert Richmann as accompanists.

On Friday, March 2, the group with Rev. Shalkhuus appeared at the Waterloo High Schools. A musical program was established after which Rev. Shalkhuus spoke to the students.

## CHURCHILL MAY APPEAR ON ARTIST SERIES

It has been reported that Java may be included in the feature tour of Winston Churchill, former prime minister of Great Britain. The booking agent for the Wartburg College artist series is trying to get Mr. Churchill to speak in Waverly, Iowa. Further notice will be given at a later date.

## Wartburg Honored On WMT Program This Afternoon

Wartburg College will be honored by a broadcast over WMT on Saturday afternoon, March 9, at 2:30 p.m. Hartwig and Norman Lappius, who are members of the "Circus Parade" program, sponsored by WMT each Sunday afternoon from 4:00 to 5:00 p.m., will be guests. On the program various Iowa college students are interviewed relative to current events, their hobbies, interests in music, and other interesting characteristic practices on their respective college campuses.

## Men Entertained At Dinner

The men of the faculty were hosts to a party for the male students of the college at the St. Paul's Parish Hall on Sunday, February 25. After a short meeting, the women of the faculty and wives of the faculty members were invited to join the party. During the supper Miss Margaret Friesch entertained the guests with dinner music.

Dr. Wm. H. Nease, with Herbert Richmann at the piano, conducted a song service after which a person spoke for job interview.

Miss Clay, a member of the choir, sang a solo, followed by an interesting movie on trout fishing in the mountains.

Miss Becker and his faculty advisor, Dr. Wm. H. Nease, were very successful and highly appreciated entertainment.

## Miss Clay Addresses Wartburg Girls

Miss E. Gjennik held a meeting of all campus and off-campus girls Monday, Feb. 25, in the Wartburg Hall on the campus.

On February 26, Dr. Agnes Hoeger introduced Miss Clay to the girls on good growing. Miss Clay showed good growing when a person applies for job interview.

Miss Clay gave many important suggestions.

This was the second of a series of talks which are planned to be given. Miss Clay will speak again at the girls' again at a later meeting.

## INSPIRATIONAL CONVOS HELD

A color film, "Coffee," was shown on Convocation Hall on February 26.

On February 27, Dr. Agnes Hoeger was a guest speaker. She challenged the audience with a report on Papuan Mission. She said that the demands on the Papuan people have increased since the church has taken over several orphaned missions previously supported by European Lutherans. There are thousands of natives in the interior of New Guinea who need the Gospel.

New Guinea needs more men and women trained in all fields.

She explained the great need for a mission to every village.

As a missionary requires a mastery of the language, she said that a thorough knowledge of the Bible and the catechism "The missioner's task is primarily teaching."

Doctor Hoeger, a native of Norway, was accompanied by Rev. D. P. Snod, pastor of the First Lutheran Church, St. Paul, Minn.

On Friday, February 28, Rev. Shalkhuus spoke to the students in the interests of Wartburg College.

On Saturday, February 29, a local group appeared with Rev. Shalkhuus at Plainfield, Nashua, Fredericksburg, and West Union. The group consisted of Rev. Shalkhuus and Herbert Richmann as accompanists.

On Friday, March 2, the group with Rev. Shalkhuus appeared at the Waterloo High Schools. A musical program was established after which Rev. Shalkhuus spoke to the students.

Pictured above are the Freshman Trumpet Heads. From left to right they are: Gertrude Zahn, Feature Editor; Edith Baechle, Associate Editor; Herman Diers (seated), Editor-in-Chief; Edna Baumgartner, Columnist; Wm. W. Baumann, News Editor; Erma Baumgartner, Circulation Manager; Fred Niesner, Business Manager; Edgar Zeid, Religious Editor; and Clemens Dohmeyer, Staff Cart-

## LSA CONVENTION WELL-ATTENDED, INSPIRATIONAL

Approximately 120 students

from various colleges in Iowa

attended the second Iowa Regional

Convention of the Lutheran Student

League at Ames during the

first week end in March. Emilie

Hanneman, Paul Albers, and Ray

Marlin represented the L. S. A.

of Wartburg College, as official

delegates. The theme of this con-

vention was, "Ye are the Light

of the World."

The opening guests and lectures

were Rev. Alvin Rogness, Mason

City, Iowa; Rev. O. M. Hansen,

Waukon, Iowa; Prof. C. V. Clegg,

Betheda Lutheran Church, Ames,

and Prof. J. M. Holcomb,

Ames, professor in Agriculture,

Iowa State College.

The conference was opened on

Friday evening, March 1, by Ruth

Schultz, L. S. A. acting presi-

dent, and the Rev. Dr. Ruth

Hoeger, L. S. A. general secy.

On March 2, the students participated in a symposium on adult education at Iowa State Teachers' College, Ames, and on March 3, a symposium on educational leadership needs for fundamental, secondary, and postsecondary school life.

On Saturday morning, Rev.

Hanneman led the Bible Study on

the Book of James. Later in the morning the other students

listened to a lecture by the Rev.

Christian Stevendorn, and "The

Christian Vocation." In the afternoon there was a panel discussion on "The Unity of Youth."

This was followed by a business meeting. A campus tour was also made.

At 6:30 Saturday evening a

banquet was held in the basement of Betheda Lutheran Church.

Rev. Broekman, a graduate of

Wartburg College and now student

pastor working with the L. S. A.

of Ames, was the toastmaster. Following the banquet a Candlelight Communion service was held in Betheda Church.

On Sunday morning Rev. Han-

neman led the Bible Study on the

Book of James. After the breakfast

service, the Rev. S. C. H. Clegg

spoke on "The Christian Life."

The newly elected officers for

the ensuing year are Harold Gluth,

student pastor; Blanche Pederson,

Iowa State College, secretary, and

Herb Jones, University of Iowa,

as treasurer. Dr. Wartburg College was appointed by the president as mission secre-

tary. Dr. Baechle, Dr. Baumann,

and Dr. Dohmeyer were elected

to the Board of Directors.

On Sunday evening Rev. D. P.

Snod, pastor of the First

Lutheran Church, St. Paul, Minn.

was the featured speaker.

On Monday morning Rev. Shalk-

huus spoke to the students.

(Continued on Page Two)

## Wartburg to Expand At Present Location

### Becker Interviews Tillmanns, New German Professor

On February 23 and 24, the Rev. C. H. Becker interviewed a number of people in Madison and Milwaukee, Wisconsin, in the interests of the future location of Wartburg College. Among them was Prof. Walter Tillmanns, who will be the new German professor. Tillmanns taught at Hebrew Junior College in Hebrew, Nebraska, after which he served as pastor in Freeport, Ill., while he was connected with Texas Lutheran College. For the past three years he has been graduate work at the University of Wisconsin. He received his M. A. degree in 1942.

During his stay in Waverly, Mr. and Mrs. Tillmanns expect to take up residence in Waverly during the summer. During his stay in Waverly, Rev. Becker delivered a sermon at West Port, Wisconsin, on Sunday morning, February 24.

### WENG INITIATES LOCAL DRIVE FOR WLA FUND

Dr. Amia G. Weng spoke in Convocation Hall on Saturday, February 23, on "Lutheran World Action." Wednesday evening, February 27, Dr. Weng spoke at a meeting in St. Paul's Church in Waverly.

During his stay he was the guest of Mrs. C. H. Becker. Dr. Weng and Rev. Becker have been friends for a long time. Dr. Weng's father and Rev. Becker have been together for many years.

Dr. Weng is an alumnus of Wartburg College. He has done graduate work at Yale University.

He is at present president of the Illinois District of the United Lutheran Church of America. He also serves as secretary of the Service Commission and chairman of the Student Education Commission of the Illinois District.

Dr. Weng and the Rev. Herman Stiekes, who were classmates, were guests at dinner in the home of Rev. and Mrs. C. H. Becker on Wednesday evening, Feb. 27.

### Representatives To Recreational Meet

The members of the Activities Committee of Wartburg College have selected their representatives to the meet to be held on Saturday, March 9, for the Women's Recreational Conference.

The members of the representative committee are Elizabeth Blehm, June Jacobs and Miss Helen Wright, instructor in Physical Education.

The immediate plans also call for the remodeling of Wartburg Hall in order to provide additional space for the recreation center and the remodeling of North Hall and Grossman Hall, included also in the plan is the probable expansion into a library, and the providing of additional class rooms and dormitory space.

It is believed that the construction of an addition will be started with the wings of East Hall, and extending to the east main building, to be completed in the near future.

President Becker recently stated that the hall is an anachronism and is an encumbrance of \$500. Our present enrollment of 250 tax all our facilities to the limit. It is obvious that a program of expansion and extension must be undertaken immediately if Wartburg College is to continue to grow.

A formal meeting of the Board of Control of Wartburg decided to pursue a course of action and erect a fine new addition to the east side of the college and high school.

Options have been secured on property located in the proposed site, and the Board of Control will be in a position to offer preference to loyal supporters to build with us.

Our first bright day, Unto thee we chant our praise. Never thy name shall cease to be, Through the ages, through the ages, through the ages.

Thine the spirit we love best, Finest in the east or west, And we sing with loyalty, Wartburg College, Hail to thee!

### LSA Introduces New Program On Campus

The L.S.A. introduced a comprehensive social and devotional program on campus. The dining hall is an effort to interest more students in the society.

The program includes a "Bible Spell-down" and a game of "Confidence". After the entertainment a contest style program is served.

The meeting was closed by an inspiring devotional service led by Orville Lehman.

## Concerning the Freshman Trumpet

With this issue, the freshmen are again privileged to produce a paper all their own. We are grateful for this opportunity to gain experience; but we also realize our responsibility in the editing of this particular issue. It is our sincere hope that through this edition of our school paper we may prove to those interested in Wartburg that we are worthy of its tradition of which all of us are so proud. We appreciate the sincere efforts of the students to develop this institution, and we are happy to do our part in the building of a greater Wartburg especially in the preservation of the traditional Christian atmosphere which must be maintained in order to make of our college a truly great school.

It is indeed a pleasure to greet all the Tupper subscribers—servicemen, civilians, pastors, teachers, nurses, parish workers, alumni, and friends. We would welcome any letters from you.

H. W. D.

## Concerning The Location Of Wartburg

The important announcement made on February 26, has finally settled the problem of finding the proper location for the development of a greater Wartburg. This decision is the result of many months of thorough investigation and sound thinking by men capable of such an immense task. We feel that their decision is right, and that Wartburg is now ready

to begin a program which will require the backing of every member in our church and especially will it need the strong and loyal support of students, alumni, and friends of Wartburg. It is not enough merely to say that we all love and respect Wartburg, but we must constantly remind ourselves that in order to permit Wartburg to grow and expand we must work together in faith and loyalty toward success in the future.

"Cooperation is the essence of success." Therefore, let us pull together to build the Greater Wartburg, which will forever be unhampered by strife, indecision, or prejudice.

Let us build a strong Wartburg that will ever be ready to serve our Lutheran Church in its furtherance of God's Kingdom.

H. W. D.

## Concerning Recreation At Wartburg

Since the decision regarding the permanent location of Wartburg College has been reached, we have read and heard very much about the new Wartburg. We have heard about the new football stadium, the new girls' dormitory, improvements on the present buildings, and also the addition of new faculty members. We also have heard of plans for a social center for the students.

We may have a fine college and an excellent teaching staff, but if we do not have good recreational facilities, it may hinder our growth. Places for relaxation must be provided for the leisure time of students.

Recreation has been one of the outstanding topics in student discussion. Students would like to have bowling alleys, tennis courts, badminton courts, and an ice skating rink on the campus.

Significant also would be the addition of an indoor swimming pool. This pool would provide a place for wholesome recreation and exercise; it could be used in the physical training classes for swimming and instruction in Life Saving.

Good recreational facilities are necessary on all college campuses, and we feel assured that in the near future Wartburg College will try to provide its students with these facilities.

## Religious News and Views

By EDGAR ZELLE

Lent

Last Wednesday was the beginning of a forty day period known as Lent. Lent is a season marked by the church as the time to commemorate the sufferings of our Lord, "who gave His life, a ransom."

The purpose of the Lenten season is to draw us closer to Christ, our Savior. We can accomplish Jesus' aim by living a simple life. He walks in long and even strides and we, because we would like to be like Him, should desire to follow in His steps. We squirm and struggle as we try to follow the exact imprint of His feet, and we are often too tired to keep full behind, but always we look to Him, who died for our sins, for the strength and courage needed in trying to live the perfect life.

During this Lenten period we should strive to live a simple life, following our Lord's leadings closer to Christ. This certainly is a very fine idea and much can be gained by such a plan. But, as we all know, there is a danger; it defeats its purpose and probably does more harm than good.

The important part is not how well we follow Him during Lent, but the good habits which we acquire and carry through the entire year and throughout our life. A forty-day-a-year religion is insufficient. We must follow Christ every day of our life.

 Rev. Dr. Neale, president of the North Central Association, gave the Wartburg faculty an exceptionally fine rating was a very remarkable fact which Rev. Becker announced at convocation on March 1.

## CONVOCATIONS

(Continued from Page One)

over one hundred Service Centers for service personnel in all parts of the world. He said that the Lutheran Service Center had now organized and needs \$10,000 worth of its work. It has already sent three shipments of supplies to the Orient.

"The church is faced with a crisis and it must do the work God wants it to do," Dr. Weng declared.

"The church has spoken. Wartburg shall live and be a fully accredited four-year liberal arts college. President Becker urged that the advancement of making Wartburg a college and not a seminary should be a spirit of faith and pride in the Greater Wartburg, and not be attainment as it is characterized so much of past.

"We need young men and women to prepare to be winners but we want them in the interests of a Greater Wartburg," declared Rev. Becker.

Dr. George Schnucke of the Presbyterian Seminary in Dubuque, Iowa was the guest speaker at Convocation on March 4.

In his speech he pointed out that advancement does not mean in all fields, but that in corresponding fields there must be a high moral control. Since the rural communities have the majority of the population, it is the duty of the ministry to the leaders. Dr. Schnucke emphasized that it is important that they be trained as Christian men for the welfare of their personal souls and the nation. He said that the lack of religious training among pastors in rural areas is the real challenge to the Christian church.

**Under Observation**

If one observes the college students closely, he can detect a note of sadness. This may be due to the fact that the students are nearing the end. Many students expect to work during vacation months, but few will work in the unpopular way of earning money. One chap I know said, "If I must work, I will work like a hard worker." Another said, "I like some people like work. Take Vic Schmitz, for instance. He likes work, and he can sit and look at it for hours. But work isn't so bad. One company I know had a good system. Every hour had a ten-minute work period."

Yesterday I was talking to Wee Widdle Rabbit. I met him in the refrigerator and asked him what he was doing in there.

He said, "I'm here because this is a Westinghouse lamp!"

And, of course, I said, "Yes, it is."

Wee Widdle Rabbit said, "Well, ah is westing."

Please don't stop reading now; it will be better as this ends nearer. That's probably the reason why it will get better, cause the end draws near.

Here are two little items for the copies on our campus—Love is like an onion;

I guess I'll go again tonight  
And put the taste thing back.

Professor Oettersburg in history class  
Who was Anne Boelyn?"

Norbert Mueller: "Anne Boelyn was a flat iron."

Prof. Oettersburg, what on earth do you mean?"

Robert: "Well, it says in our history book, Henry, having dressed up in his suit and Anne Boelyn's suit with Anne Boelyn."

Just a parting word for the students of Wartburg—the saddest words of tongue or pen may be, "It might have been."

But sweetest words we know, by far, are simply these: "Enclosed find check."

### Choir Notes

The first post-war concert season of the Wartburg Choir consists of 22 concerts to be given in four states. From the first concert on March 3 to the final appearance on April 23 the choir will travel approximately 2000 miles.

Traveling in two large chartered buses, the 50-voice Wartburg Choir is organized for its tour much like a professional troupe. Most of the "choir girls," as they are called, are young women who handle the risers, gown trunks, and luggage, are performed by the first and second violinists, a person who checks temperature, ventilation and lighting in the auditorium, another who handles programs, and a conductor who has each bus to check passengers, and a variety of other personnel. The choir president acts as general chairman.

The combined audience for the 1946 concert season will most likely exceed the audience of past concert seasons by wide margins. The ticket prices range from 15,000 to 20,000 people will attend the concerts this year.

The April 23 radio broadcast will conclude the present series of 25 programs which feature the Wartburg Choir.

"You're all invited to open house after practice Friday evening. Mind you, but don't leave it open when you go!"

This invitation was to be exchanged by Dr. E. L. Limbom with members. All was in preparation for a gaeleven. As the time approached, the weary singer dragged across the floor, lay down on the sofa, lay down home and dropped themselves down on every available chair in the house. For people who were supposed to be almost

dead, the lively evening that followed was a great morale builder.

Upon this occasion, the choir members presented to the chaperon, Miss Dorothy Krausman, who will accompany them on the tour in their future.

The members of the choir will

not be returning for the first concert of the year to Garrison City, Saturday evening, March 3.

The singers and Dr. E. Limbom were joined by the members of St. John's Church, Chazy, served a delicious dinner. Audience reception was excellent.

Prof. A. Swenson will speak at the Lutheran Brotherhood meeting on Monday, March 11, in Manchester.

Other speakers will include the Rev. William Adix, pastor of the Manchester church.

—Trumpled Staff Photo.

dead, the lively evening that followed was a great morale builder. Upon this occasion, the choir members presented to the chaperon, Miss Dorothy Krausman, who will accompany them on the tour in their future.

The members of the choir will

not be returning for the first concert of the year to Garrison City, Saturday evening, March 3.

The singers and Dr. E. Limbom were joined by the members of St. John's Church, Chazy,

served a delicious dinner. Audience reception was excellent.

Prof. A. Swenson will speak at the Lutheran Brotherhood meeting on Monday, March 11, in Manchester.

Other speakers will include the Rev. William Adix, pastor of the Manchester church.

# Redmen Overcome Knights By 43 Points

## OLMSTEAD TIES FREE THROW RECORD

In a nail-biting contest the Olmstead Knights defeated the Wartburg Knights Tuesday evening, March 5, by the score of 46-33. The Redmen surprised the Knights by winning the tie-breaking free throw record of 38-10.

Height again overwhelmed the Knights and held them to a static score throughout the first half. The ball was consistently batted down by such Simpson players as Dykstra and Kuchan, who started the game.

The Knights recovered sharply

in the second half but were

unable to overtake the sharp shooting of Olmstead. The Redmen mounted a strong comeback from all over the court with Kuchan and Dykstra setting the pace; each scoring 19 and 14 points respectively.

Ted Olmstead dropped in two

charity tosses to raise his total of free throws to 27, while Kuchan, for the conference free throw championship, had one game remaining while Olmstead had 26.

Wartburg had by virtue of his 10 points, raised his season's total to

16. He needs 27 points against Kuchan. Viva to the scoring champion.

## INTRAMURAL TOURNAMENTS TO BE HELD

An intramural basketball tournament will not be underway at 4:30 P. M. Tuesday, March 11, at the Wartburg Field House. In the previous contests we, the Sophomores, have met the Juniors challenging the Juniors to find the Juniors challenging game will be played Thursday evening, March 14, in the Field House. The tournament will be preceded by a preliminary consolation game which will begin at 7:30 P. M.

Members of the varsity squad are restricted from participation.

## KNIGHTS SUCCUMB TO NORSEMEN

A hard-fighting Wartburg quint went down to defeat under the consistent attack of the Luther Norsemens, February 25, to the tune of 51-35. The height of the Norsemens, and their control of rebounds upset the determined Knights as they sought their consolation victory over the taller semis.

The Knights got off to a smooth

winning start, putting ahead of the Norsemens in the opening minutes.

4-6 Luther scored a ten point advantage, and held the margin throughout most of the first half, but was half ended with Luther leading by six clear points.

Paul Koch ('40) was the top

scorer for the Knights with 11

points, while Hughes ('40)

had nine points for the Norsemens.

Ted Olmstead ('40) had 10

points, while Kuchan ('40) had

nine points for the Norsemens.

Paul Koch captured the scoring

lead for the Knights with

eleven points, while Holmer ('40)

had seven points for the

victors. Norsemens had 11

rebounds, while Hughes ('40)

had eight for the Knights.

Bill Hughes pumped in eight

and seven points respectively to keep the Norsemens in the lead.

Members of the Wartburg team

were in fine spirit, despite their previous losses, but did not have

the offensive punch to

push up the envied victory.
